PANASONIC KX-DT500 SERIES DIGITAL TELEPHONES

The Panasonic KX-DT500 digital telephone series delivers superior desktop features through an ergonomic design that is stylish, comfortable and boast a user-friendly interface with a LCD display that makes accessing phonebooks and key features easy.

Each model, the KX-DT546, KX-DT543 and KX-DT521, delivers superior voice quality with a "full duplex" hands free speakerphone that enables more than one person to speak simultaneously without interruption or delay in voice delivery. The KX-DT546 and KX-DT543 models also come with an Electronic Hook Switch built-in which allows a range of wireless headsets to be used.

Industry-leading 2-year Warranty with US-based customer support

Making sure your business communication system stays up and running is a top priority. Provided with each model is a standard 2-year warranty, along with dedicated US-based customer support at our Virginia-based call center.
